

MODERN CURVED FOUNTAIN KIT

Aquascape Modern Curved Fountain creates the soothing sound of trickling water making it the focal point of any setting. Create a natural paradise in your backyard with Aquascape Modern Curved Fountain.

Please Note:

Aquascape Modern Curved Fountain and pump will need to be drained and stored inside for the winter. The AquaBasin® can be left outside but should be drained and covered.

For more information about our company or products please visit our website at www.aquascapeinc.com or call (US) 1-866-877-6637 (CAN) 1-866-766-3426.

Step by Step Instructions for use:

- Step One:** Place the AquaBasin® in the chosen area of the garden, mark the outline of the AquaBasin® in the grass or soil.
- Step Two:** Dig out the appropriate amount of soil plus an additional two inches of depth.
- Step Three:** Place sand or gravel in the hole and level the AquaBasin®.
- Step Four:** Back fill any remaining space around the basin with sand or soil.
- Step Five:** Fill the basin with water and add decorative pebbles.
- Step Six:** Attach the pump to the braided hose that comes with the fountain.
- Step Seven:** Place the lid on the AquaBasin® and the pump into the AquaBasin®.
- Step Eight:** Plug in the pump. Sit back, relax and enjoy!
